Important Information

All part numbers with "R" following the number, means that specific tire has one rounded sidewall only.

Widths for "R" series tires are for the contact patch only (excludes sidewall).

Tires 1007R, 1008R, 1009R and 1302R have a minor arc radius on one side. (for tight wheel wall clearance)

Manufacturers trade names are property of the respective companies & used for identification only.

All Zero Grip/Low Grip tires are Urethane compound and are Sandable tires.
